Bob Richter—star of the PBS series "Market Warriors" and host of the web series "Flea Market Minute"—has been thrifting and collecting vintage treasures since the early age of six. With a true passion for any object with a past and a story, Richter speaks to our desire to surround ourselves with belongings that impart beauty and meaning to our lives. Drawing on his years of experience as a stylist and interior designer, Richter takes us through a selection of beautiful historic homes, illustrating how to live stylishly with our vintage finds and collections in VINTAGE LIVING: CREATING A BEAUTIFUL HOME WITH TREASURED OBJECTS FROM THE PAST.

A celebration of the art of thrifting and decorating with pieces from every era, this charming book is a full-service guide to treasure hunting: from flea markets, antique shows, and estate sales to country auctions, yard sales, and the on-line marketplace. With a mantra of "buy what you love, express yourself, and don't be afraid to mix periods," Richter also imparts hard-won practical tips, such as how best to negotiate and haggle.

With chapters on entertaining and cooking; holiday décor for all seasons (including Valentine's Day, Easter, and Halloween among others); giving vintage gifts; embracing vintage ways (writing letters, repurposing and recycling); and caring for your old treasures, this bible of vintage living will inspire you to take a personal and creative approach to your décor.
